Get started using the app.

- Download the free Freegal® Music app at either the App Store (iPhone) or Google Play Store (Android).
- Enter either your zip code, city or country and then select your library.
- Enter your library card number and pin (if applicable).

The Home section features music that we think you will enjoy.

Your recently played songs and wishlist are found here.

The Browse section is the heart of the app. Discover music by what's trending, new arrivals, genres, playlists, artists, music videos and even audiobooks.

The My Music section is where your music is stored.
